

DISRAELY SALAZAR

Operations & Procurement Leader | Data Analytics

Toronto, ON | disrael2021@gmail.com | linkedin.com/in/disraely-salazar-65328238b | github.com/disraelysalazar

PROFESSIONAL SUMMARY

Data analytics professional combining 15+ years of operational business experience with technical skills in SQL, Python, Tableau, and Excel. Background spans purchasing management, B2B sales, supply chain operations, and accounts payable across Canada and Venezuela — managing portfolios from \$200K to \$800K+ and overseeing \$2-3M in monthly vendor spend through SAP ERP. Now applying those operational instincts to business intelligence and data analytics roles.

TECHNICAL SKILLS

Analytics & BI: SQL | Python (Pandas, NumPy, Matplotlib) | Tableau | Advanced Excel (Pivot Tables, Power Query, VLOOKUP)

Methods: RFM Segmentation | Statistical Analysis | Data Cleaning & Wrangling | Dashboarding & Visualization

Systems & Languages: SAP ERP | Microsoft Office Suite | English (fluent) | Spanish (native)

PROFESSIONAL EXPERIENCE

Purchasing & Sales Manager | Hub Garage Co. — Toronto, ON

2024 – Apr 2026

- Sole sales and purchasing lead — 15-20 inbound leads daily, 5-6 closings/month, 5 commercial contracts for venues up to 5,000 sq ft.
- Negotiated 10-15% supplier price reductions across 3 suppliers while protecting customer quote margins.
- Managed ~\$200K annual purchasing budget end-to-end, controlling both cost and revenue sides of every transaction.

Supply Chain & Accounts Payable Specialist | The Beer Store —

2022 – 2024

Toronto, ON

- Managed vendor relationships and POs in SAP ERP across \$2-3M in monthly vendor spend at one of Ontario's largest beverage distribution networks.
- Resolved 50-100 vendor discrepancies monthly; supported month-end reporting and distribution operations.

Owner / Procurement Director | Incosaca

2010 – 2018

- Founded and operated a procurement business for 8 years — 30+ supplier relationships, ~\$800K CAD annual purchasing budget.
- Negotiated multi-year commercial contracts, payment terms, and delivery standards; sustained profitability through disciplined cost control.

Purchasing Manager | CORPOZULIA — Venezuela

2007 – 2009

- Managed supplier contract negotiation and vendor scorecards for regional government procurement.

Budget Analyst | Institute of Technology of Maracaibo — Venezuela

2005 – 2007

- Prepared and monitored institutional budgets, performed variance reporting, and supported financial planning.
